

Batman: Marvel 2

By

Dan Walters

EXT. QUEENS, NEW YORK AIRPORT, LANDING ZONE

The next morning photographers and reporters were everywhere, as Bruce Wayne had to leave for Gotham City. He saw Tony Stark run up the stairs to congratulate.

TONY

Fair well Mr. Wayne, it was a pleasure doing business with you

BRUCE

It was no problem

TONY

Good luck

BRUCE

Thanks Mr. Stark

As he was about to go in the plane, a huge muscular man runs up to see him.

FISK

Hello Mr. Wayne. My name is Wilson Fisk. Like you I am a business man, and I am so interested in your work.

BRUCE

Are you? Well, would you like to come to Gotham and see what we have at Wayne Industries?

FISK

Why yes. Yes I do. I already have my luggage ready to go

BRUCE

Very well then, lets go then

FISK

Dr. Creed, shall we find a seat?

A man in a trench coat appears, he had a real bushy beard, and long side burns.

CREED

Yes Mr. Fisk, we shall.

As the two men walked with BRUCE. One figure with red sunglasses was seen in

the crowd. He had a stick with him. The blind man took his ticket to the next flight for Gotham. Another plane leads to Gotham. Matt Murdock was the name of the blind man.

MATT

I wonder what Fisk is up to

Another man had a plane ticket to Gotham. He had long side burns, and when he removed his hat, he had pointed hair that stuck up in both corners. He had good smell as he smelled the scent of the man with bushy hair. LOGAN aka WOLVERINE, knew his enemy well. LOGAN speaks through a headset.

LOGAN

I am going after him

VOICE

Very well then, but return in one piece

LOGAN

Don't worry I will

Both MATT and LOGAN found another plane to Gotham City. They know their enemies too well. With no eye contact they said in a quiet voice.....

LOGAN and MATT (together)

I don't like this

EXT. GOTHAM AIRPORT, LANDING ZONE

After a long trip from Queens, New York, both Bruce Wayne and Wilson Fisk both get out the plane and onto the landing zone. BRUCE was delighted to be talking to a business man like FISK.

FISK

What a spectacular view

BRUCE

Yes. Gotham City is as lovely as any other city

FISK

Who runs this city?

BRUCE

Why Mayor Grange. He is the mayor of Gotham City, and an old friend of my

father's

FISK
Is your father here?

BRUCE
No. He is dead

FISK
That's a shame, but of course, you must run your father's company

BRUCE
Yes. Yes I do

FISK
Shall we go then

BRUCE
Yes

FISK
Dr. Creed, would you mind getting our luggage?

CREED
Yes Mr. Fisk

CREED walks away, and picks up the luggage. CREED then walks over to the limo of BRUCE. ALFRED stands by the limo.

ALFRED
Some guests master Bruce?

BRUCE
Yes. This is Wilson Fisk, and this is...

Looking at CREED

CREED
Creed. Doctor Victor Creed

ALFRED
Nice to meet you two. Where are we heading master Bruce?

BRUCE
Wayne Industries

ALFRED

Very well. Dr. Creed, just put the luggage in the trunk

CREED

Yes sir

CREED puts the luggage in the trunk. ALFRED opens the car door for BRUCE, FISK, and CREED.

Meanwhile, another plane just landed, and came out one with a trench coat, red sunglasses, and a pointer to lead him. Another man came out, wearing a jacket and a rounded hat. They come off the plane. MATT walks down the street. LOGAN finds himself a cab.

INT. WAYNE INDUSTRIES, LABS

BRUCE walks FISK and CREED into the labs, surrounded by machines, and other wondrous technology.

FISK

Such a great set up Mr. Wayne.

BRUCE

Yes. There is nothing that money can't buy

FISK

True

BRUCE then leads them to the next room, where there are.....bats. Thousands of bats in the room. There they meet Dr. Kirk Langstrom.

LANGSTROM

Why Mr. Wayne. Are these tourists or guests?

BRUCE

No, they are just guests. They just wanted to see what Wayne Industries is all about

LANGSTROM

Of course

Then a man walks in the room. He had short, curly grey hair, and a blue woollen sweater.

BRUCE

Hello Lucius

LUCIUS
Mr. Wayne

BRUCE
Mr. Fisk, this is Lucius Fox. He keeps things running whenever I am not around

FISK
Nice to meet you Mr. Fox, I am Wilson Fisk

They shake hands.

LUCIUS
Nice to meet you Mr. Fisk

FISK
And this is my partner, Dr. Creed

CREED
Hello

LUCIUS
So are these guests Mr. Wayne

BRUCE
Yes they are

FISK turns to LANGSTROM

FISK
So what are the bats for Dr. Langstrom?

LANGSTROM
They are on a recent experiment dealing with sonic hearing

LANGSTROM
As you can see, bats don't need to see through their eyes, they use their ears to receive sonic vibrations in order to fly in their desired location. Of course they are nocturnal

LANGTSROM
So what I am doing, is to extend hearing on a human, so that would give people the advantage to hear anything, without happening to say "what" every five seconds. Even for deaf people

FISK

What an interesting experiment.

LANGSTROM

Thanks Mr. Fisk

FISK

Anyways, I think we have been here long enough, so me and Dr. Creed will find a hotel room at the Gotham Hotel

BRUCE

Well, actually I was thinking you could come to my place and.....

FISK

Nonsense. You did do a lot for us Mr. Wayne, but we don't want to push it too far

BRUCE

Suit yourself Mr. Fisk

FISK

I will. We will continue tomorrow

BRUCE

Sure. That would be nice

FISK

Ok then. Goodnight Mr. Wayne

BRUCE

Goodnight Mr. Fisk

FISK

Let's go Dr. Creed

CREED

As you wish

They leave the room. BRUCE, LUCIUS, and LANGSTROM still stand in the room.

BRUCE

Well Langstrom, since you might be doing human experiments, don't you think you should be safe on that?

LUCIUS

I agree. Even tampering with mother nature can sometimes lead to disaster

LANGSTROM

I assure you Mr. Wayne, this experiment will not harm anyone or anything of any kind

BRUCE

If you're sure, I'll let you continue

LANGSTROM

Thanks Mr. Wayne

BRUCE

No problem

Then LUCIUS and BRUCE leave the room.

INT. GOTHAM HUB

As LOGAN walked into the bar, he found himself a seat at the counter, where a BARTENDER walks over to him.

BARTENDER

What would you like sir?

LOGAN

Just a beer

BARTENDER

Just a regular? Got it

The BARTENDER finds an ice cold beer from under the counter, and gives it to LOGAN. LOGAN takes one gulp, puts it down, and gives the BARTENDER the tip.

BARTENDER

Thanks sir

LOGAN

Don't mention it

Then a huge short man walked in. He had a strait tuxedo, a top hat, and an umbrella with a birds head shape on the handle. He also had a pointed nose, resembling a bird.

COBBLEPOT

Hey, Bartender. How about a strait whiskey?

BARTENDER

Ok, coming up Mr. Cobblepot

LOGAN (whispering)
Who's that ugly thing?

The BARTENDER gets a glass, while answering LOGAN.

BARTENDER (whispering)
That's Oswald Cobblepot. He is the meanest mob of all Gotham. He owns the riches of the Cobblepot family. Also got out of jail just 2 days ago

The BARTENDER pours whiskey in the glass.

LOGAN (whispering)
Is he a wanted man?

BARTENDER (whispering)
Yes he was. He was last apprehended by the Batman

LOGAN (whispering)
The Batman?

BARTENDER (whispering)
Yes. The one that apprehends the criminals every night

The BARTENDER hands the whiskey to COBBLEPOT, and then gets tipped. The people in the bar gawk at him.

COBBLEPOT
Who are you dweebs looking at?

They turn around. Except one man stands up.

MAN
You, you but ugly thing. You don't deserve to be released from Arkham Asylum

Then everyone looks at the MAN.

COBBLEPOT
How dare you speak?

MAN
I speak because you do nothing but harm the citizens of Gotham. You're nothing but a freak

COBBLEPOT then walks over to the MAN.

COBBLEPOT

So you want to play insult one another huh?

COBBLEPOT punches the guy in the teeth, knocking him back on the floor.

COBBLEPOT

How about I insult you, AFTER I DICE YOU UP?

A blade shoots out of his umbrella. He lifts his umbrella, and prepares to slice him. Then LOGAN steps up.

LOGAN

Hey back away from the poor guy chuckles

COBBLEPOT

Butt out hairy scary, this guy is mine

LOGAN

Hey, you got a problem, take it out on me

COBBLEPOT

Ok, how about I dice you up instead?

LOGAN

Go for it

LOGAN lifts a finger, and bends it towards his back. Then COBBLEPOT lifts his umbrella, and runs towards LOGAN. When he brings his umbrella down on LOGAN, LOGAN lifts on fist, and a claw pops out. It slices the umbrella in two. COBBLEPOT backs up.

COBBLEPOT

What the.....?

LOGAN

Like I said, you got a problem, take it out on me

COBBLEPOT

You have not see the last of me freak

LOGAN

Look who's talking

COBBLEPOT runs out the door, looking terrified. The crowd stands up and applauds for LOGAN.

LOGAN

Hey, what's going on? Aren't you guys going to chase me for being a mutant?

BARTENDER

No, we want to thank you. Cobblepot's been giving us heck for the last two days since he was released from Arkham Asylum. Besides, we get a lot of heroes that reveal themselves in this type of town

LOGAN

Well, from where I live, they despise mutants

BARTENDER

Well us Gotham citizens are thankful for mutants that save us

LOGAN

Well I'd better be going

LOGAN gets up and heads for the door, when.....

MAN

Hey, what's your name?

LOGAN then turns around.

LOGAN

The names Logan. But call me, Wolverine

Then everyone cheers. Shouting LOGAN, then LOGAN leaves the bar.

INT. WANYE MANOR, LIVING ROOM

BRUCE sits in an armchair of the living room within Wayne Manor. He just stares at a painting of his parents Thomas and Martha Wayne. Then Alfred walks in.

ALFRED

Ah hem. Sir

ALFRED points his head to the window. Out the window, BRUCE can see the light of the bat-signal. A skylight with the shape of a bat.

ALFRED

I believe this means duty calls

BRUCE gets up.

BRUCE

Yes Alfred. Yes it does.

EXT. POLICE HEADQUARTERS, ROOFTOP

Commissioner Gordan waits for BATMAN to show up. He goes to turn off the bat-signal. Then a voice was heard.

BATMAN

What is it Commissioner?

GORDAN turns around.

GORDAN

I have some news. First of all, good job apprehending Joker, Two-Face, and Bane back in Queens, New York

BATMAN

Don't thank me, I did what I could

GORDAN

Well then. Let's start off with this for news

GORDAN

A mutant was seen at the Gotham Hub. Citizens congratulated him for saving a man that was almost killed by Mr. Cobblepot

BATMAN

That bird can never be trusted, neither could mutants

GORDAN

Indeed. Which is why I want you to check him out. Check them both out

BATMAN

Ok

GORDAN

And another thing, Fire Fly escaped Arkham Asylum, and headed for Wayne Industries

BATMAN

Then I guess I'll have to stop him

GORDAN

Yes, right away. We can't forget that Wayne Industries was the reason why Fire Fly was arrested

BATMAN

No, and we need to make sure that Fire Fly doesn't get his chance for revenge

GORDAN

Very well. Then you must be off

BATMAN heads for the ledge.

GORDAN

Good luck

BATMAN jumps off, heading into the shadows.

EXT. STREET

Matt Murdock walks on the street, in search of where Fisk is hiding. Until he hears something fly in the air. The vibrations of the unidentified flying object triggered MATT's ears. He may not be able to see, but he can hear, and he knows that whatever it is, it's trouble.

MATT

Well, that is no space shuttle. Better check it out

MATT runs into an alley, and unzips his jacket and undid his shirt, revealing the double D symbol, of DAREDEVIL.

INT. WAYNE INDUSTRIES, STORAGE ROOM

FIRE FLY looks into the drawers and closets of Wayne Industries, and found nothing yet. FIRE FLY had a yellow helmet, resembling a bug. Also had a black jump suit, with yellow wires connecting from his jet pack, to his wrist lasers. He kept looking, until he found something.

FIRE FLY

Ah. An animal sonic receiver. This device can control any animal on the face of this planet.

He looks again, and found.....

FIRE FLY

What? A liquid nitrogen blaster? No way

FIRE FLY held it up. All grey and shiny. It came with nitro packs that contain the liquid nitrogen, and plus capsules to freeze anyone or anything instantly. Then a shadow rose from behind a desk.

BATMAN

I suppose you want to be the new Mr. Freeze?

FIRE FLY turns around.

FIRE FLY

You again!! No, just looking for something. Something to pay that rich stiff Wayne, for PUTTING ME IN THE ASYLUM

FIRE FLY throws a nitro capsule at BATMAN, and misses.

BATMAN

Going to pay for that?

FIRE FLY

Yes, instead of cash, here's a disc

FIRE FLY raises his arm, and shoots a flame disc at BATMAN. BATMAN almost got hit, but missed. BATMAN takes a punch at FIRE FLY, and knocks him back against a desk.

FIRE FLY

That hurt

FIRE FLY used his jet pack to fly and aim for BATMAN. BATMAN dodges and uses his grapple gun to grab FIRE FLY's foot, and flew himself. They came out of the building, flying. BATMAN finds a billboard, and ties the grapple gun to one of the railings. FIRE FLY swung sideways into the billboard, which made BATMAN land on the roof. FIRE FLY also landed. He gets up.

FIRE FLY

Alright, no more tricks bats, this is going to be dirty

FIRE FLY lifts his arm, ready to fire at the fallen BATMAN. Until a rope of red grabbed his arm, and made him fire to the ground. FIRE FLY went inside the building, and landed. He then flies back up onto the roof. FIRE FLY found who made him fall. A man dressed in a red jump suit with little horns on his mask, and a double D symbol. He also had some sort of baton with him, all red, and the top and bottom, silver.

DAREDEVIL

You have a lot of nerve to pick on a flying rodent

FIRE FLY

Who the hell are you

DAREDEVIL

The names....Daredevil

FIREFLY

Then shouldn't you be doing some bad things or give people bad luck?

DAREDEVIL

No. I serve something better than the devil. Justice

FIRE FLY flies into DAREDEVIL, but DAREDEVIL jumps on his back, hitting FIRE FLY with his baton. Another crash landing.

FIRE FLY

I beat the Batman, but I'll not lose to some blind man

FIRE FLY shoots flame discs, and misses. Shoots again, and misses.

DAREDEVIL

I can do this all night

FIRE FLY

Oh yeah, how about you just chill?

FIRE FLY shoots liquid nitrogen at DAREDEVIL. Again, it misses, then DAREDEVIL jumps into the air, and air kicks FIRE FLY into the helmet. FIRE FLY lands on the ground with a hard thump. He gets up with no idea of where he is going.

FIRE FLY

You ain't seen the last of me red.

DAREDEVIL

Haven't I? Oh and do a favour, and stay out of hell's kitchen

FIRE FLY fled with his jet pack. BATMAN finally gets up, looking at DAREDEVIL.

DAREDEVIL

I see you're awake now. Sleeping on the job?

BATMAN looks at him.

BATMAN

Who are you?

DAREDEVIL

Daredevil. I cam from New York. All because Wilson Fisk is here

BATMAN

What did he do wrong?

DAREDEVIL

He is a mob. He is respected by most of the citizens in New York, but to the police and lawyers, they don't like him. He did a lot of things, like murder, theft, and he even follows in his father's footsteps of a criminal

BATMAN

And you're here because

DAREDEVIL

I am here to apprehend him

BATMAN

This is my city Daredevil. I will apprehend Fisk, but I have proof

DAREDEVIL

I don't need proof to prove that Fisk is up to something. I know he is not what people expect

BATMAN

How?

DAREDEVIL

Let's just say you have your skills, and I have mine. I can hear the rate of someone's heartbeat, that means he or she is lying, or close to death

BATMAN

Are you saying you have super senses?

DAREDEVIL

Yes. Except I have no eyesight

BATMAN

Of course. I've heard of you when I was in New York, helping Spider-Man. I read the papers of the Daily Bugle, and told of how one man known as Daredevil, scales rooftops and alley ways at night, in search of justice

DAREDEVIL

You must be the same, because I don't see you at day

BATMAN

Anyways, I'll take of Fisk

DAREDEVIL

No, he is my enemy

BATMAN

But you must understand, we need proof, whether you like it or not

DAREDEVIL

No Batman. Stay out of this. I must do this

DAREDEVIL turns around, and ran for the ledge of the roof. He jumps off, and disappears into the shadows.

INT. BATCAVE

BRUCE sits into his computer chair of the bat-computer, and looks up files on the mutant that was seen, and where FIRE FLY will strike next. BRUCE looks at the news, and found a picture of what happened at the Gotham Hub. In the picture was COBBLEPOT and the mutant had claws sticking up. As he kept looking, TIM came in.

TIM

Hasn't that guy heard of a manicure?

BRUCE

He's a mutant Tim

TIM

I see

BRUCE

Unfortunately he looks dangerous

BRUCE zoomed into the pick of the mutant, and searched for other sightings of the mystery man. He found several sightings, and finally, found a picture of his head, and a bio beside it.

BRUCE

What's this? Weapon X Files, Friday August 13th, 1995. A military soldier named James Howlett, aka Logan, was part of a dangerous experiment involving the metal known as adamantium, and creation of the perfect super soldier. Unfortunately after waking up in the Weapon X Facility at Alkali Lake, the test subject nicknamed Weapon X rampaged in the Facility, and killed several scientists on his way out. He ran in the forest and was aided by a special task force known as Alpha Flight, in the hands of James and Heather Hudson.

TIM

Wow, this guy must really be dangerous, after taking out a bunch of nerdy scientists

BRUCE

Yes, he is. Wait, what's this other link? Xavier Protocol?

BRUCE enters, but it required a password.

BRUCE

Computer, scan into the "Xavier Protocol" and hack into it

COMPUTER

Affirmative

BRUCE waits, as it hacks into the "Xavier Protocol."

COMPUTER

By pass complete

BRUCE

Thank you. Tim, this is a list of mutants

TIM

You mean there is more mutants?

BRUCE

Yes.

BRUCE types onto the computer, searching under 'Logan.' There it was.

BRUCE

It tells the same information, but right here, it says, Wolverine.

TIM

That must be his nickname

BRUCE

Yes, it must be. Wolverine. Real name, Logan or James Howlett. Occupation, X-Men. Ability, animal instincts, adamantium skeleton, claws, and healing factors.

TIM

He must have died several times, and awoken from the dead

BRUCE

Well, since Wolverine is in Gotham, I'll have to see why he is here

TIM

Hey look at this. It says on the bio, that he has an arch nemesis that is like him, but no claws. He goes by the name Sabretooth. Computer, look up Sabretooth

TIM and BRUCE waited. It came up.

TIM

He has the same history, except he didn't attack, he wanted to be like Wolverine. He goes by the name Dr. Victor Creed, also known as Sabretooth. His occupation goes by a group known as "The Brotherhood of Mutants." An evil gang of mutants that want to rid the world of humans, want global domination, and want to let the mutants live freely

BRUCE

Wait, hold on Tim. Did you say Dr. Victor Creed?

TIM

Yes. Why?

BRUCE

That name sounds familiar

BRUCE thinks about it, and a flash back came into view.

ALFRED

Some guests master Bruce?

BRUCE

Yes. This is Wilson Fisk, and this is...

Looking at CREED

CREED

Creed. Doctor Victor Creed

BRUCE stops thinking and finally figured it out.

BRUCE

The guy with Wilson Fisk, he is Dr. Creed, also known as.....

TIM

Sabretooth. Well Bruce does it answer your question now? Now we know why Wolverine is here in Gotham City?

BRUCE

Yes. But we are dealing with a mob, and a rival mutant

TIM

Plus Fire Fly and Cobblepot, aka the Penguin

BRUCE

Yes. Barbara can investigate the Penguin. I'll get Nightwing to go after Fire Fly. After all, he used some of the technology from Wayne Industries to make a jet pack like mine

TIM

Is there ever a time when I get the good stuff?

BRUCE

Yes. When you graduate from school

BRUCE smiled.

TIM

Ha ha very funny.

BRUCE

While both get the Penguin and Fire Fly, you and me have got some business to attend, like dealing with Wolverine and Daredevil

TIM

Dare who?

BRUCE

Daredevil, he helped me. Nearly bringing down Fire Fly

TIM

I see

BRUCE

Well we'd better hit the sack

BRUCE was ready to shut off the computer, when a beep went off for 5 or 6 times. Then showed what was the situation.

BRUCE

What could it be?

They look at the screen.

BRUCE

A fight between the mutants named Wolverine and Sabretooth, is happening at Gotham Docks. Great, just when we had to turn in

TIM

Should I?

BRUCE

If you like

TIM

Ok then

TIM heads into a small room with all his Robin gear, to change. He puts on his suit, then his belt, his boots, gloves, cowl, and then mask.

ROBIN

Time to kick some but

EXT. GOTHAM DOCKS, DOCK 13

WOLVERINE and SABRETOOTH battle on the docks, as they threw objects, bashed each other with their skulls, and some round-the-house kicks. WOLVERINE tried to kill SABRETOOTH his own way, with his claws. But as they all know, WOLVERINE and SABRETOOTH were unstoppable, they could not die.

WOLVERINE

I'm gonna scrap you up in pieces

SABRETOOTH

Try me, tiny

WOLVERINE steps forward, and lunges towards SABRETOOTH, giving him a two hand stab. SABRETOOTH recovered from the blow, and grabbed WOLVERINE's hands, and twirled him into some crates. He gets up.

WOLVERINE

You're gonna pay for that

Cut to.

BATMAN and ROBIN find the two mutants as they landed on the top of a roof of a

warehouse. BATMAN sees the two mutants fight.

BATMAN

That must be the mutant Wolverine. The one I was looking for. Plus Dr. Creed is there

ROBIN

Hard to believe

BATMAN

Yes, unfortunately the battle might last, because of their healing abilities

ROBIN

Well maybe it's our job to stop him

BATMAN

You stay here, it's too dangerous. I'll go on ahead

ROBIN

Awww man

BATMAN leaps off the roof.

ROBIN

He always gets all the fun

Cut to.

WOLVERINE dodges SABRETOOTH's fists. He tries to make another cut, but SABRETOOTH grabbed him, and flipped him, sending him into the water.

SABRETOOTH

Ha ha ha, enjoy your bath Wolverine

BATMAN lands behind SABRETOOTH.

BATMAN

This ends here and now

SABRETOOTH turns around.

SABRETOOTH

This is a joke right? One tiny rodent able to stop me?

BATMAN

Bats aren't rodents

SABRETOOTH

Ooooo I'm so scared. Too bad you won't be standing here for long

SABRETOOTH lunges forward, BATMAN jumps over him. BATMAN has his arm around SABRETOOTH's neck.

Cut to.

ROBIN runs to the dock, and finds WOLVERINE floating on top of the water.

ROBIN

Didn't they ever teach you how to swim?

ROBIN grabs WOLVERINE's arm, and drags him out. ROBIN had some strength to only pull half the body out. Then WOLVERINE came to, and picked himself out of the water.

WOLVERINE

Thanks kid, what happened?

ROBIN

Ah....

WOLVERINE

Sabretooth? Thought so

WOLVERINE runs towards SABRETOOTH.

Cut to.

BATMAN dodges a number attacks. After a while, SABRETOOTH punches him in the stomach, and BATMAN lands on the deck.

SABRETOOTH

Prepare to die, bats

SABRETOOTH picks BATMAN up, but is sliced in the arm by WOLVERINE's claw.

WOLVERINE

Did you miss me bub?

WOLVERINE slices SABRETOOTH in the face with his other claw, and knocks him back in crates. WOLVERINE finds a switch to a crane, claws the control panel, and makes the hook of the crane drop on SABRETOOTH. BATMAN runs towards

SABRETOOTH, looking at the debris.

BATMAN

What happened? What did you do?

WOLVERINE

Hey bats, the next time you want to bust in on me again? Don't

ROBIN

Hey, we saved your life

WOLVERINE

No you didn't. I can easily live

BATMAN

We'll leave this to heroes that live in this city

WOLVERINE

I didn't ask you to butt in bub. Sabretooth was mine

BATMAN

Listen.....

WOLVERINE grabs BATMAN by the neck, lifts a fist, and a claw pops out.

ROBIN

Hey leave him alone

WOLVERINE

Stay out of this kid

WOLVERINE

You listen to me you flying rodent, I will not get out of your city, until I find out what is happening. That means leaving Sabretooth to me

ROBIN

Might as well Batman

BATMAN relaxes, and WOLVERINE lets his claws sink back in his hands.

WOLVERINE

Don't you forget it

WOLVERINE leaves, leaving BATMAN and ROBIN to leave to.

Cut to.

FISK enters, and finds SABRETOOTH. Suddenly, the debris of SABRETOOTH lifted, and he came out.

SABRETOOTH
Got what you wanted Fisk?

FISK
Yes my furry friend. We got it

SABRETOOTH
What is it?

FISK
What Batman did not notice, was that you were a distraction, for me to steal this

FISK reveals it, and it was a little gadget with a speaker on top.

FISK
It is an animal transmitter. A device that allows anyone to control an animal on the face of this earth

SABRETOOTH
Do we go back now?

FISK
Of course

FISK
Dr. Langstrom was our main objective. I found out what he was up to really

FISK opens a folder in his hand, and looks at it.

FISK
Langstrom was actually wanting to be like the Batman. Not a crime-fighter, but wants to be feared. The formula we just got from him will allow him to become a creature of the night

SABRETOOTH
Well then, shall we go?

FISK
Yes

FISK and SABRETOOTH leave.

INT. WAYNE ENTERPRISES, WAYNE'S OFFICE

BRUCE sits in his desk chair, looking over the bills to fix the destruction that FIRE FLY made last night. He was still tired after a battle with SABRETOOTH. However, all he wanted to know, is that why was SABRETOOTH was at the scene. LUCIUS then walks in.

LUCIUS

These criminals never learn do they? They don't know the prices of repair these days

BRUCE

No they don't, but they will

Then a voice message came from a speaker on the desk.

VOICE

Mr. Wayne, someone is here to see you

BRUCE

Send him in

A man with red sunglasses, walking stick, and a trench coat came in.

MATT

Hello Mr. Wayne

BRUCE

Hi. What is your name sir?

MATT

My name is Matt Murdock, District Attorney of New York. Mind if I talk to you alone?

BRUCE

Certainly. Lucius?

LUCIUS

Yes Mr. Wayne, I'll be out right away

LUCIUS leaves the room. MATT turns to BRUCE.

MATT

I understand that you are working with a man that goes by the name of Wilson Fisk

BRUCE

Yes Mr. Murdock, I am. He was interested in my work and wanted to see.....

MATT

What you have? I see. Well, I guess one look can't hurt, but Mr. Wayne, I have to suggest to look out for Mr. Fisk, because in New York he is one of the greatest mobs that can't be trusted

BRUCE

Well how did you know I was talking to Mr. Fisk?

MATT

Because, I saw him with you one time, at the entrance of this technology making company. I want to make sure he doesn't cause trouble here in Gotham, as he always does in New York

BRUCE

I'll keep both eyes on him

As BRUCE listened, he noticed that the stick that MATT was caring had dragon symbols and red rubies on it. It looked like the same design that DAREDEVIL had.

BRUCE (in his head)

That stick design looks familiar. Could it be? Could it be Daredevil, the one I ran into last night before the attack?

MATT

Anyways Mr. Wayne, thanks for your patience, and taking the opportunity of listening

BRUCE

It is no problem Mr. Murdock

MATT

Ok then, I must be on my way

MATT gets up and turns to the door.

MATT

Have a nice day

BRUCE

You too

MATT enters the door, and disappears. BRUCE has a look on his face.

BRUCE

Something is not right about him. I have to check up on him tonight

INT. BATCAVE

BRUCE looks on his bat-computer, and a picture of the cane that MATT had, was in view.

BRUCE

That cane somehow looks familiar

TIM looks at the picture.

TIM

That cane handle seems cool

BRUCE

Oh yeah.

BRUCE then looks at an article of DAREDEVIL, and compares it with an article of Matt Murdock. He zooms both pictures, directly at the canes. Then there it was, both views of the cane were identical.

COMPUTER

Both pictures match

BRUCE

Then this is it. The proof that I was looking for. Mr. Murdock is Daredevil

TIM

Well, considering the attorney of N.Y.C is blind, I don't see how he can fight

BRUCE

Because Tim, take a look at this article. When he was age 13, he saw the most shocking thing in his life, the last thing he would see in his life. He saw his dad, Jack "The Devil" Murdock who was an undefeated boxer for years, robbing some innocent person. After nearly getting killed by a truck, he got toxic chemical waste in his eyes, just as one of the containers were accidentally cut open. He lost his eyesight. According to mutant research at the SHIELD Facility, Murdock may have lost his sight, but got something in return. The ability to have super senses, like super hearing, smell, taste, touch, all but eyesight, in which he has good hearing abilities which aids him in battle.

TIM

Well, ain't he a sight for sore eyes

BRUCE

Yes, exactly. As he trained his new found abilities, the only thing he did not expect was the most hurtful thing that he would suffer for his life. The death of his father. His father was murdered, after double-crossing a mob by the name Alistar Fisk, who had a son that would soon take over the family business. That was when after the death of one known boxer, Matt Murdock, 26 years later, became a lawyer by day, and the entity of justice at night, known as Daredevil

TIM

Hmmm. But didn't the article say that a man named Alistar Fisk killed his father?

BRUCE

Yes. That means he must be related to Wilson Fisk. Maybe that's why Daredevil is after Wilson Fisk.

TIM

To seek revenge

BRUCE

And make sure that whatever happened to Jack Murdock, wouldn't happen to anyone else ever again.

TIM

Isn't that like you? Well before you started to become a hero

BRUCE

Well, yes, but it didn't last

TIM

But we have to stop Daredevil from seeking revenge

BRUCE

No, it is his fight

TIM

But...

BRUCE

Don't you see Tim, he will realize that revenge won't be the answer

TIM

Oh I see. Once he knows what should be done

BRUCE
After all, he serves Justice.

TIM
And revenge and justice don't mix

BRUCE
Exactly. But if it doesn't happen, we will make sure it does happen

TIM
Good. So when do we make it happen

BRUCE
Right now

ALFRED walks in.

ALFRED
Sir, there is a telephone call from Mr. Grayson

BRUCE
Ok, patch him through

BRUCE waits for the call. He retrieves it on his computer then speaks.

BRUCE
Go ahead Dick

DICK
Bruce, I am on a pursuit with Fire Fly

BRUCE
What happened?

Cut to. In the sky. He was in his Nightwing outfit.

NIGHTWING
He was trying to go for Wayne Industries again

BRUCE
Ok, I'll....

Then there was a buzz on the bat-computer.

BRUCE
I'll be on my way

NIGHTWING
Don't have to

BRUCE switches to the other call.

BRUCE
Hello

BATGIRL
Bruce it's Batgirl, Penguin's at it again. He is reeking havoc at Wayne Aerospace

BRUCE
Ok then, I'll send Robin to go

TIM
On it

TIM leaves into the costume room.

BRUCE
Well, I guess trying to pursue Daredevil and Wolverine will have to wait. We are in for a night

INT. WAYNE AEROSPACE, MAIN HALLWAY

BATGIRL tries to hide from PENGUIN.

BATGIRL
I hope Tim makes it here. I don't know how much more I can take

PENGUIN
Where are you brat girl?

ROBIN swings towards PENGUIN.

ROBIN
You mean brat boy

ROBIN gives PENGUIN a kick in the back. PENGUIN falls on the floor, face first. He gets up with a red face.

PENGUIN
You two will be on my menu as soon as I am done

BATGIRL sends a batarang towards PENGUIN. PENGUIN shoots a blade at the batarang, and slices it in two. He walks over to where BATGIRL was hiding. ROBIN trips him, sending him on his face again. He gets up.

PENGUIN

Wait until I find your face and squish in on the floor, you little jerk

ROBIN

This is not your day

PENGUIN turns around, and ROBIN gives him a punch in the teeth, which sent the PENGUIN on his back. He crawls to the door.

PENGUIN

Sorry to leave so early, but I have some business to attend to. Here is a little present while I am gone

PENGUIN holds up a detonator, and activates it, sending some bombs ticking.

ROBIN

We have to evacuate

BATGIRL

Lets go then

ROBIN and BATGIRL run to the ext door. As the building exploded, they jumped out, and landed on the cement ground. They find PENGUIN in a van, laughing and driving away.

PENGUIN

So long kiddies

PENGUIN keeps laughing, as he disappears.

ROBIN

We will have to find him

BATGIRL

Don't nee to

BATGIRL lifts a tracer radio, which tracks the signal of a bat-tracer.

BATGIRL

I am already one step ahead

ROBIN

That's good to hear. We better go anyways, so we don't lose track

ROBIN and BATGIRL disappear in the shadows.

INT. GOTHAM CITY, THE SKY

A pursuit in the skies of Gotham, occurs. NIGHTWING and FIREFLY, using jet packs, fly in the air, as birdarangs and fire disks zoomed like birds.

FIRE FLY

Hey kid, why don't you let your mentor do this?

NIGHTWING

Because, I don't need to

FIRE FLY

Then prepared to get fired

FIRE FLY shoots some tear gas pellets, and hit NIGHTWING. NIGHTWING stops in mid-air, coughing rapidly.

FIRE FLY

Even the bat could dodge better than that

FIRE FLY zooms towards NIGHTWING. As he did, BATMAN flew in front of him, and gave him a sky high uppercut, sending him spinning towards a billboard. BATMAN flies towards NIGHTWING for aid.

BATMAN

Nightwing, are you ok?

NIGHTWING

Yeah, but what about Fire Fly?

BATMAN

Knowing him, he won't give up without a fight

NIGHTWING

Hey where is he going?

NIGHTWING points to FIRE FLY, who is flying away from both crusaders.

NIGHTWING

Won't give up without a fight huh?

BATMAN

Well that's not Fire Fly. Unless he is working for someone else

NIGHTWING

Already have his signal

BATMAN

Then lets find out what he is up to

BATMAN and NIGHTWING fly in FIRE FLY's direction and disappears.

INT. GOTH CORP, TOP FLOOR

In the old office of a company that has been out of business, the KINGPIN sits in an office chair, waiting for FIRE FLY.

KINGPIN

It is almost time. Sabretooth, make sure no one followed Fire Fly

SABRETOOTH

As you wish Kingpin

SABRETOOTH walks to an exit door leading to the stairs, and walks onto the roof.

EXT. GOTH CORP, ROOFTOP

SABRETOOTH looks at the sky for FIRE FLY. FIRE FLY lands on the rooftop.

FIRE FLY

Hey Cat-Tooth. I got what the boss wanted

SABRETOOTH

Go take it to him

FIRE FLY walks into the exit. He holds a gadget that completes the plan.

INT. GOTH CORP, TOP FLOOR

FISK waits for FIRE FLY. FIRE FLY walks in.

KINGPIN

Ah, Fire Fly, I see you got the final part to our plan

FIRE FLY

Yes I do

KINGPIN
Very well

KINGPIN opens a cell with DR. LANGSTROM.

DR. LANGSTROM
You won't get away with this

KINGPIN
I just did

KINGPIN pushes the button on the stolen animal transmitter, and a ringing noise that no one can hear, but LANGSTROM could.

LANGSTROM
Ahhhh, the noise, get it out. Get out of my head!!!

As the noise got louder in his ears, he started to get red eyes and long bat-like ears, he slowly turned into a MAN-BAT.

Cut to.

EXT. GOTH CORP , ROOFTOP

SABRETOOTH stays on guard, when finally, he spots two fliers heading towards the building.

SABRETOOTH
Alright, time for some fun

SABRETOOTH gets ready to pounce on the incoming objects, when a stick hits him on the neck, then his legs, which made him fall to the ground.

SABRETOOTH
What the?

DAREDEVIL
Didn't expect that didn't you?

SABRETOOTH
You are dead

SABRETOOTH walks towards him. He lifts a fist, when WOLVERINE runs into him, with his claws stabbing SABRETOOTH in the side.

WOLVERINE

Hey boy-scout. This one's mine

DAREDEVIL

I always knew you weren't a team player. That leaves Kingpin to me

PENGUIN then gets on the roof.

PENGUIN

Who are you shady characters? This is my hideout

DAREDEVIL

Try me

PENGUIN runs with his umbrella in the air, when a batarang hit PENGUIN's hand, and made him drop the umbrella. BATGIRL and ROBIN stand there.

BATGIRL

Miss us?

ROBIN

Didn't think so

BATMAN and NIGHTWING land on the roof.

BATMAN

Where's Fisk?

DAREDEVIL

Batman, I told you, leave Fisk to me

BATMAN

Revenge is not the answer Daredevil. You serve justice, and justice only

DAREDEVIL

No Batman, this one is mine

DAREDEVIL runs into the building. BATMAN and NIGHTWING run towards the exit, while BATGIRL and ROBIN take care of PENGUIN. All of a sudden, a glass rooftop shatters, letting out a flying glow, and the sound of flapping wings. FIRE FLY and MAN-BAT heads towards BATMAN and NIGHTWING.

FIRE FLY

Hey bats, say hello to your little friend, Man-Bat

BATMAN

Nightwing, you go after Fire Fly, and I'll take care of that creature right there

NIGHTWING

Got it

NIGHTWING flies into the sky, and follows FIRE FLY. BATMAN flies after MAN-BAT. BATGIRL and ROBIN fight PENGUIN, and WOLVERINE fights SABRETOOTH.

INT. GOTH CORP, TOP FLOOR

DAREDEVIL walks into the office. He searches the area.

DAREDEVIL

Where are you Kingpin?

DAREDEVIL

Show yourself

KINGPIN steps out of the shadows.

KINGPIN

Over here

DAREDEVIL turns around.

DAREDEVIL

I found you at last

KINGPIN

And what is it that I did to you?

DAREDEVIL

You've killed someone of mine

KINGPIN

Well sorry to hear that, and I am sorry that you have to die

KINGPIN runs towards DAREDEVIL, and DAREDEVIL runs towards KINGPIN. Both of them clash.

Cut to.

EXT. GOTH CORP , ROOFTOP

BATGIRL and ROBIN hides behind an electrical box, while dodging PEGUIN's umbrella flamethrower.

BATGIRL

Time for plan B

ROBIN

Right

BATGIRL and ROBIN jump from behind the electrical box, and starts throwing batarangs at the PENGUIN. BATGIRL runs right, and ROBIN runs left. PENGUIN keeps dodging the batarangs, and hitting them with the blade of his umbrella.

PENGUIN

Your kiddie toys aren't going to work

ROBIN

Will see who's got the kiddie toy

ROBIN then gets his staff out and gets ready to fight PENGUIN.

PENGUIN

Well, well, well, if this is going to be a weapon battle, then bring it on bird boy.

BATGIRL

Robin, be careful

PENGUIN and ROBIN run towards each other, and both the staff and blade hit. The clashing was loud. They fought and fought, and the staff and blade kept clashing. Cut to.

NIGHTWING and FIRE FLY flew in the air, batarangs and flame discs flew in the air. They circled each other.

FIRE FLY

I'll make you roasted bird Nightwing

NIGHTWING

Not until I squash you first, bug

FIRE FLY

That's it

FIRE FLY flew towards NIGHTWING, making a flying rush. NIGHTWING gives FIRE FLY a quick punch, sending the glow man sailing towards the building.

Cut to.

Meanwhile BATMAN and MAN-BAT fight in the skies, wing to wing. BATMAN gives MAN-BAT a flash punch, sending him backwards a little bit.

BATMAN
Give up?

MAN-BAT screeches, then bull rushes BATMAN, sending him downwards toward a building. He flies up again. BATMAN circles MAN-BAT, then it hit him, He needs the sonar transmitter to scramble MAN-BAT's hearing.

BATMAN
Let's see how well you can see and hear with the sonar transmitter

BATMAN activates the transmitter. MAN-BAT flies everywhere, without knowing which direction he is flying. BATMAN still has it activated, as MAN-BAT flies towards him. BATMAN grabs MAN-BAT, and drives him towards a billboard, with a loud crash. BATMAN looks at the defeated MAN-BAT, picks him up, and takes him back to Goth Corp rooftop.

Cut to.

ROBIN and PENGUIN still fight on the rooftop. Both show signs of exhaustion.

PENGUIN
Is our little bird tired?

ROBIN
Not as tired as you are pengy

As they fight, NIGHTWING and FIRE FLY still have their aerial battle, but as FIRE FLY gets tired, NIGHTWING flies towards him, and gives him a punch that made him fall towards PENGUIN. PENGUIN dodged him. FIRE FLY becomes unconscious.

PENGUIN
Hey, this is my turf glow boy

ROBIN comes up behind him, and gives PENGUIN a blow to the head with his staff. PENGUIN falls to the ground.

ROBIN

Can't we all share one?

NIGHTWING lands on both feet to the ground.

NIGHTWING
You guys ok?

BATGIRL
Yep

ROBIN
Never better

All of a sudden, WOLVERINE is tossed in front of them.

ROBIN
Wolverine are you ok?

WOLVERINE
Get out of my way kid

WOLVERINE sharpens his claws, and runs towards SABRETOOTH.

SABRETOOTH
Come here you little punk

WOLVERINE
I'll show you who the little punk is

WOLVERINE claws SABRETOOTH. But as always, SABRETOOTH can heal, and gave WOLVERINE a punch. WOLVERINE claws him again, but misses. SABRETOOTH goes for another shot, then misses too. SABRETOOTH fell forward. WOLVERINE knew it was his chance. He saw a giant needle on the ground down below. As he began his move, WOLVERINE charges at SABRETOOTH, and pushes him on the edge. As both of them fall off the rooftop, they disappear in the shadows. The caped crusaders run towards the ledge, and look down below. They are nowhere to be seen.

ROBIN
Where did they go?

NIGHTWING
They died

BATGIRL
Unexpectedly

NIGHTWING

No one could have survived that fall

ROBIN looks at the ground, and has a look in his eye. He knows what could happen to a guy that was tortured in the Weapon X Facility. BATMAN then lands on the roof, with MAN-BAT in his arms.

BATMAN

I see you have everything covered

ROBIN

Not everything

BATGIRL

Wolverine and Sabretooth fell of the ledge, and into the shadows

BATMAN walks over. He looks down. Then he turns around with a straight face.

BATMAN

We'll look for him after the mission is complete

Cut to.

INT. GOTH CORP, TOP FLOOR

DAREDEVIL and KINGPIN still fight to the death. KINGPIN bashes DAREDEVIL in the chest with his cane, sending him on the ground. BATMAN, ROBIN, BATGIRL, and NIGHTWING soon enter to find the two clashing.

BATMAN

Daredevil

DAREDEVIL

I told you to stay out of my way

BATMAN

You have to understand

DAREDEVIL

I don't have to, I do understand

ROBIN

But you are taking matters into your own hands

DAREDEVIL

That's a risk I have to take

DAREDEVIL and KINGPIN clash.

KINGPIN

Daredevil, don't you know you have to quit sooner or later

DAREDEVIL

I will not

KINGPIN smacks DAREDEVIL with his cane. He falls. Now covered in blood, DAREDEVIL stops, barely moving.

KINGPIN

Now let's see who you really are

KINGPIN removes his mask, and reveals red hair, and eyes. MATT was revealed.

KINGPIN

This is a joke right? The blind lawyer from hell's kitchen? Matt Murdock? Why do you bother coming to kill me? Especially in front of the bat? Speaking of which KINGPIN gets out a device.

KINGPIN

MAN-BAT, KILL THE BATMAN

MAN-BAT comes from the ceiling, screeching. He kicks BATMAN in the head, and lifts him, throwing him into NIGHTWING and BATGIRL.

BATMAN

Great

MAN-BAT flies over to BATMAN, but gets punched by ROBIN, which sent him on the ground.

Meanwhile, KINGPIN walks around MATT unmasked.

MATT

You've killed my father. WHY?

KINGPIN

Ah you mean Jack The Devil? Ah, well my dad wasn't a big fan of him. He was supposed to be an assassin for my dad, but never took orders. Therefore he had a price on his head

MATT

You'll pay for what you've did

KINGPIN

Sorry, but you will not be able to

KINGPIN lifts his cane up, and swings it. MATT grabs it, then tosses it towards MAN-BAT. MAN-BAT is then knocked out. He gets up. KINGPIN swings a fist, MATT dodges, then punches him. KINGPIN swings again, and MATT dodges, and punches. Then MATT slides under KINGPIN, KINGPIN turns around, then MATT kicks his knees. KINGPIN screams in pain, falling to the floor. MATT reaches for his devil staff, and rises it.

MATT

I've waited a long time for this

MATT swings, but blocked by WOLVERINE's claw. All five looked surprised.

WOLVERINE

What do you think you're doing?

MATT

I've waited too long for Kingpin to die, just like my father did

BATMAN

Don't you see, that is what took you away from your honour

ROBIN

Murdock, if you get it through your head, you know revenge isn't the answer. Batman serves justice like you, he may have wanted revenge before, but he knows that wouldn't be the answer

NIGHTWING

But if you kill him now?

BATGIRL

What next? You'll end up like Bruce Wayne. Alone

MATT looks at him, then KINGPIN laughs.

KINGPIN

Don't you get it, who says revenge isn't a good thing? It is justice

BATMAN

Your wrong Fisk

KINGPIN

Am I, or am I not?

BATMAN

Your going to jail

MATT

Just like every other mob and criminal

As they continued, MAN-BAT starts to change to human. Dr. Kirk Langstrom laid there.

LANGSTROM

What happened?

BATMAN

It's alright Dr. Langstrom. You're fine

LANGSTROM

I should have known better than to trust Mr. Fisk, and make the bat serum

NIGHTWING

Well, you shouldn't have to do any of those things any more

LANGSTROM

Thank you

Cut to.

EXT. GOTH CORP, ROOFTOP

Cops were everywhere, as BATMAN, and the others were watching. WOLVERINE spotted some heading to where SABRETOOTH died.

WOLVERINE

Hey, that's where Sabretooth got killed

He pointed to the area. SABRETOOTH had a giant needle sticking out from his chest, with chrome nails bended on his wrists and heels.

WOLVERINE

As long as the heart has something sticking through it, Sabretooth can't heal

NIGHTWING

Is that how...?

ROBIN

Yes. As you can see, when Batman and I researched you guys, it said Wolverine had healing factors, along with Sabretooth

WOLVERINE

Well kid, you and the bat are smart

DAREDEVIL

Yep, they sure are

BATMAN

Well Daredevil, have you....?

DAREDEVIL

Yes Batman, I have learned my lesson. I want to thank you all

BATMAN

It was no problem. I knew you would come to your sense

DAREDEVIL

Well, you're the one without super powers, you have had to have been planning this the whole time

BATMAN

I was. Anyways, want a ride back to New York, with the bat-plane?

DAREDEVIL

Yes, yes I may

WOLVERINE

I will too

BATMAN

Ok then, the plane is on it's way. Robin, you Nightwing and Batgirl can take care of things here for now right?

ROBIN

Of course

BATMAN

Here it is

The plane lands on the roof. The hatch opens. BATMAN, WOLVERINE and DAREDEVIL walk in. Then the bat-plane takes off heading for New York.

Cut to.

EPILOGUE

EXT. NEW YORK, BOXING MATCH LANE

DAREDEVIL stands on the rooftop of the abandoned building called BOXING MATCH LANE. Under it says, Jack "The Devil" Murdock. DAREDEVIL takes a rose out of his pocket. He drops it on the street, in front of the building.

DAREDEVIL

I won't forget you dad

DAREDEVIL then turns around, looking back, then walks away.

Cut to.

EXT. XAVIERS MANSION, COURTYARD

LOGAN stands over the grave of three missed mutants that kept the school alive. He stand over the graves of Charles Xavier, Scott Summers, and Jean Gray.

LOGAN

Well Chuck, I have finished off what has been started. Sabretooth won't be bothering us now.

Cut to.

EXT. GOTHAM CITY, CEMETERY

BRUCE walks into the cemetery, and looks for the head stone of Thomas and Martha Wayne. He finds it, and digs in his coat pockets for a rose. BRUCE finds the rose, and drops it on the head stone.

EXT. GOTHAM CITY, ROOFTOP

BATMAN, ROBIN, BATGIRL, and NIGHTWING stand on a rooftop.

BATMAN (Narrating)

As a heroes, we forge allies. As heroes, we co-op with icons. Now we know there are other heroes on this earth, keeping it standing. I made a promise to my parents, that would rid the city of the evil that took their lives

They hear screaming.

BATMAN (Narrating)

I will never break that promise, and neither will any other super hero

All four shoots their grapple guns, and jumps off the building.
