Lt. James Gordon is still talking as Harvey Dent and Bruce Wayne were talking in the backstage.

HARVEY

That's great that you came, Bruce.

BRUCE

Hey, what are best friends for?

HARVEY

Yeah, I was a bit nervous.

BRUCE

Don't be, you'll do great.

HARVEY

You really think so?

BRUCE

I know so.

HARVEY
Thanks.

Lt. James Gordon is about to announce the new District Attorney. Harvey heard and looks back at Bruce.

HARVEY
Well, here I go.

Harvey walks out.

INT. GOTHAM CITY HALL - NIGHT

Lt. JAMES
Now the new District Attorney is..

Harvey walks onto the stage.

Lt. JAMES
Harvey Dent!

Everyone was clapping as Harvey walks up to the podium and stops. Everyone stops clapping.

HARVEY
Well, what can I say? Thanks for voting for me.

Few people laughed and then stop. A dark figure moves from the back. Harvey speaks again.

HARVEY
But I'll do my best to keep this city safe from any crook. I promise you that Gotham City will be will be the safest place in this country. So you all can sleep good tonight.

Bruce smiles. Then suddenly a familiar voice came from the dark figure was in front of the stage now.

JOKER
I will make sure that doesn't happen, Mr. Dent.

Harvey stares at him.

HARVEY

And who are you?

The person then pulls out a bottle with acid coming out towards Harvey's face. Harvey then got burned on his left side of his face. He's screaming and moaning loud. The person takes off his cloak and appears to be the Joker. Then Joker's henchmen came running down with guns as they shoot the ceiling. Everyone ran out screaming and left the building. Lt. James Gordon was still there with Harvey still on the ground moaning in pain.

JOKER

Ah, don't you just love parties!

HENCHMAN #1

Yes, boss.

Lt. JAMES

The Joker, what are you doing here?

JOKER

Isn't it obvious, lieutenant? I just did what I came to do; now we just have to wait for The Batman!

Lt. JAMES

Not on my watch, you psycho clown!

JOKER

Oh, don't be harsh!

Lt. James Gordon ran towards the Joker but then one of his henchmen shoves him down to the ground. Lt. James Gordon looks up and sees a pistol being pointed at his head.

JOKER

I am sorry for this, Jamesie! But I don't have time with showoffs like you!

Joker hysterically laughs at him. Joker is about to pull the trigger.

JOKER

Now say goodnight, lieutenant!

A voice came from above. Joker recognizes it.

BATMAN

Goodnight, Joker.

JOKER

B-b-b-b-Batman!

The Joker and his henchmen look around and forget about Gordon.

JOKER

Where are ya?! I can take ya!

Then Gordon trips the Joker as the Batman jumps down and fights the henchmen.
