Midnight

As the scene opens up, we see the city in neon lights. There is a title on the bottom left screen that says “Bludhaven” The camera then starts shooting from left to right and then stops at a figure in the shadows facing the city lights. The camera starts going slowly, closer to where the figure is standing. As the camera gets closer, Nightwing starts to narrate.

Nightwing:
(Narrating)

“I have defended this city more then I could imagine...I have poured my sweat, tears, blood...I have sacrificed my whole entire body for “Bludhaven” Still, I feel as one of these days...I would give in to all this madness, all the frustration that I have gone through, in the end, will all of it matter? Will it all be worth it? And those are the questions that I will keep on asking myself. And maybe one day, this will all be over...

Camera stops and cuts to Nightwing’s face:

Nightwing:
(Continues to narrate)

“But until that day comes I must live to fight injustice and make things right...because that was what I was

brought up to do”

As he finishes, he walks out of frame, leaving the camera shooting the city. The main titles come up on screen:

Batman vs. Nightwing: A Fallen Hero

The camera opens to find Commissioner Gordon drinking a cup of coffee and awaiting the arrival of the Batman. The Bat signal is on and he is waiting for him to pop out of nowhere and of course to come out from the shadows. Gordon thinks to himself that he will never make a main entrance or appearing without scaring the crap out of him. As he waits, he continues to drink his coffee and paying close attention to his watch as he has been waiting for about an hour. Suddenly, a creep comes out from behind him and he already knows who it is, he gets spunk a little but nevertheless loses his confidence.

Commissioner Gordon:
“I thought you weren’t showing up tonight”

Batman:
(In a deep voice)
“I had to take care of some things”

Commissioner Gordon:
(While drinking his coffee)
“Well, I have some news for you; it seems that there has been a person recruiting some of the best people from the streets. It seems that this person is trying to form an elite team in order to try take over the criminal underworld of Gotham city and Bludhaven....I have these files and a picture of whom this person is

(Hands Over the files)

Commissioner Gordon:
(Continues)
“His name is “Dudley Soames” He’s a corrupted cop from the BPD in Bludhaven. This guy means business and I may think that he is working with Blockbuster”

Batman:
(Looking through the files)
“How come you haven’t taken him down?”

Commissioner Gordon:
“This guy on record is clean, we cannot find any dirty work that he has done, remember Blockbuster practically owns the whole city, he may have cleared his whole record...We can’t even touch this...Soames guy...But I know the Batman can...”

Batman:
“I’ll see what I can do”

Commissioner Gordon:
“Also, I don’t know if you would like to break it to your friend Nightwing, since I know that he works that part of town”

Batman:
He probably knows...but if he doesn’t, I’ll inform him”

Commissioner Gordon:
(Looks At his watch)
“Well, I better...”

He feels a brush of wind in his face, he already knows what just happened...he looks up and Batman has disappeared from the scene.

Commissioner Gordon:
(With a smirk)
“One day, I will nail his feet to the ground”

Office Room

We see the camera shooting the front door of an office room; the name on the door says

“Detective Soames”

Cut Scene: A Man sitting in the dark with a cigarette.

As Soames awaits the arrival of a person he is supposed to meet, he is looking at some photographs of Nightwing fighting villains and jumping from roof top to roof tops. He then smirks while he is smoking his cigarette. He then hears a knocks on his door:

!!Knock, Knock, Knock!!

Dudley Soames:
(With a British accent)
“C’me in”

As we see the door opening, he hides the pictures in his drawer and Officer Dick Grayson comes in. He is in full uniform and he stands in front of the door.

Dick Grayson:
“You wanted to see me Sir?”

Dudley Soames:
“Have a seat ‘lad”

Grayson sits down.

Dudley Soames:
(Smiling)
“How ya’ doing officer Grayson?”

Dick Grayson:
“I’m good Sir, thank you for asking”

Dudley Soames:
(Starts to Pace around the room)

Wel, the reason that I called you in ta’day is because I have a special proposition for you, See, I’m gathering a bunch of Officers to start a new generation group, a group of power and force to take down these crime lords that we have in our city and with your help and others that I have ...we could be successful at it and rule over Gotham city and Bludhaven. And when it is said and done, you will have a position as one of the

most powerful person in this force and in the streets as well. Is an opportunity that will change your life forever...so, what do you say?"

Dick Grayson:

(Upset)

"I know what you are trying to pull Soames...I don't like it not one bit of it...I'm not one of those cops, so you can take that offer for someone else because I'm a loyal Officer to this force"

Grayson stands up from his chair

Dick Grayson:

"May I leave now?"

Dudley Soames:

(Extends his hand to the door)

"Yes you may...But you don't know what you will miss Grayson"

Grayson opens the door and leaves.

Soames then sits back on his chair and takes out the pictures of Nightwing.

Dudley Soames:

(With a Grin)

"We'll see about that Mr. Grayson.

As he continues to smoke his cigarette the camera pulls back.

Afternoon

As we see Officer Grayson walking out of the police station, we see his partner waiting for him on the streets. He looks about the same age as Grayson but a bit older. He has black hair and brown eyes. Grayson walks towards him.

Mac Arnot:

(Smiling)

"So, how did it go?"

Grayson smirks back at him.

Dick Grayson:

“It went alright...he just wanted to see what was I up to”
(Puts his officer hat on)

They soon begin walking and doing their rounds around the streets of Bludhaven.

Mac Arnot:

(Exaggerated)

“Are you ready to fight some crime partner?”

Grayson looks at him for a moment and remembers when he used to say that to Batman...Now as it seems, they are just two worlds apart from each other, even when they are together.

As they are walking they notice a thief stealing a briefcase from a civilian and start to run away with it.

Mac Arnot:

“Let’s go Dick”

They both start running after the thief and they are making twist and turns. Grayson is catching up to the thief, they go through an alley way and the thief sees a gate up ahead and he thinks “Good they’ll never catch me now” Grayson leaves his partner a few yards behind and he already knows what the robber is thinking” He thinks I can’t catch him now because of the gate and how bad cops are at climbing that” And at that, Grayson smirks. The thief throws the briefcase over and starts to climb the gate and makes it over by dropping to the floor on the other side. The robber stands up and starts to make his way to the briefcase. When Grayson reaches the gate he leaps up towards the right end of the gate and steps on the wall with his right leg and jumps down landing himself in a crouching position. He sees the thief trying to get away so Grayson quickly grabs his nightstick and throws it at him in a boomerang motion and hits the robber in the back of the head knocking him down to the floor. Anderson looks at the scene in disbelief of what his partner just pulled off.

Mac Arnot:

(Shocked)

“Hey...Grayson...How, hmm, How in the world did you do that?”

Grayson:

(Smiles)

“I used to take gymnasium when I was younger...it just, stuck with me”

He says that while arresting the robber.

Grayson:
(With the thief in handcuffs)
“I’ll see you around the block”

His partner shakes his head while walking towards the camera.

Nightwing:
"I think she doesn't agree on that, boys!"

They all hear his voice and start to look around. The main thug is trying to figure where he is, until he sees the figures shadow. The woman is scared out of her mind and could pass out any moment now.

Main thug:
"Oh, yea...Well, why don't you come out and say that to my face!"

All the thugs says "Yeah!" the figure then jumps down and starts walking towards them and as he walks they

“Boss...It’s that Nightwing guy”
(Main thug grabs the victim tighter)

Main thug:

“Stay away freak or I’ll break her neck”

Nightwing whips out a batarang and as quick as a speeding bullet, throws it at the main thug’s forehead. He loses his grip on the woman and she quickly runs away.

(Holding his forehead)

“Get him!”

Nightwing then returns his focus on the main thug, but the main thug has a gun and he points it at him from point blank range of Nightwing’s face.

Main Thug:

(Confident)

“Let’s see you kung fu this out your ass!”

As soon as the thug says that, Nightwing smirks and bends down quickly and turning at the same time the thug fires but misses, Nightwing takes out another batarang and throws it, piercing the hand where the gun he was holding. As he turns his back to walk away...Soames mentions something that takes him by surprise.

Dudley Soames:

"Is that what you really want ...Dick?"

Nightwing face gets into total shock, and he just stands there.

Dudley Soames:

“That right, the famous Dick Grayson...raised by Bruce Wayne when his parents were murdered and grew up to become a vigilante”

Nightwing turns to face Soames.

Nightwing:

“You must be confused. I’m—

Dudley Soames:

--I know exactly whom you are lad’ you became Nightwing when Batman fired you from being his sidekick and then you went on by yourself to become your own man”

Nightwing can’t believe that this guy knows so much about him. He stays shocked and listens to what Soames has to say about him.

Dudley Soames:

“You see, you were always tire of being in the bats shadow, bloody hell, you still do, but you try to manage to keep out of his way and stil, he tries to keep you as his errand boy, or should I say...boy wonder”

Soames walks over to him and looks him straight in the eyes.

Dudley Soames:

“Don’t you see Dick, you will always be in his shadow, you wil always be his path and he wil always take you for granted, you need to be with us Dick, this is your time and you have make yourself wel. And what has this city offered you? Huh? Nothing at t’all, so many fights, so many battles, and stil, no one appreciates what you have done for this city not even the all legendary Batman...this is about you, and the new life you must take...become a legend yourself”

Soames steps back.

“T’ake it under consideration, you know where to find me and when you are ready, get back to me”

Soames then walks towards the group and they all walk out...the camera shoots back at Nightwing from far and he just stands there while the camera pulls back and fade out.

That is why Nightwing knows he is going to get a visit from him, a visit more closer then he thinks.

As the camera shoots Nightwing face a shadow appears in the back of him.

Nightwing:

The camera then shoots the side of Nightwing and we realize that it is Batman. Batman starts to walk slowly towards Nightwing and stops at a distance.

Batman:

“Why did you join Soames Nightwing? What purpose does he serve you?”

Nightwing:
(Shakes his head)

“You could never learn to stay out of people’s business...even in mines... even in my night life as a crime fighter.”

Batman:

As soon as Batman tries to regain his balance back, Nightwing rushes at him and jumps in the air, turns around with a roundhouse kick, kicking Batman in the face again. Batman stumbles and falls to one knee, as soon he does Nightwing comes again, rushing at him and jumps in the air again coming down with his fist but Batman grabs his arm and flips him to the floor. When Nightwing lands flat on the floor, he grips Batman's wrist and pulls himself back making his feet wrap around Batman head and flipping him to the floor. Dudley soames:
(Laughing)
“You think that matters...Blockbuster will get me out...there is nothing you could do about it”

Batman:
“I will take down Blockbuster one day but until then you will sit in prison for a long time”

Batman then hears Nightwing voice from a far.

Nightwing:
(Screaming)
“You are going down Batman...face me...face me you coward!”

Batman sees him and goes to the window.

Nightwing:
(Laughs)

“Hahahaha, you think that from the last time we met, you’ll learn not to fight me...but if that’s what you want....that’s what you’ll get, I promise you, you won’t be coming down here for weeks.

Batman:
(Serious)
That’s enough Nightwing, We’re finished”

Nightwing:
(Breathing heavy)
